It is vital that your child has a water bottle in school everyday. The children are allowed to refill these at break and lunchtime so they can stay hydrated throughout the day.

Waitrose Community Matters

We were lucky enough to be nominated to be a choice in the Waitrose community matters scheme for the month of August. We have now been notified that we will receive £272 thanks to everybody who put those little green coins in our box. We will let you know in due course how this money will be spent.

Y6 SATS information evening

As you know, your child will be taking part in SATS later in the school year. SATS are taken by Year 6 children across the country in May and we would like to invite you to find out more about what the SATS are, how we will be helping your child prepare and what you can do at home to support your child. There will also be the opportunity to ask any questions that you might have. We will be running two sessions on **Thursday 4th October** at **15:30** and **17:30** and the same information will be given at both events so you only need attend one. We look forward to seeing you at one of the events.

No Dogs

Just a reminder that we do not permit dogs on the school site.

Parent Drop-in

We welcome any parents and carers to come along for a coffee and a chat on Friday 12th October from 2.45pm until 3.15pm in the Planetarium with Mrs Whittle and Mrs Bennett.
