You will be in with the chance to win lunch with some VIP special guests at the Summer Cup on Thursday 4th July 2019 and much more.

Visit from Author

We were treated to a special assembly from the author Mark Robson. Mark is a former RAF pilot and a published full time writer of fantasy fiction. As well as this, Mark finds time to instruct children in Taekwondo and along with Taylor in year 4 they showed off some of their moves. Mark carried out a writing workshop with Year 6 during the morning.

Talent show

We will be holding Falconer's got Talent on Tuesday 2nd July 2019 from 5-7pm. Tickets will be £2.50 each and will be for sale shortly via Parentpay. Lots of children have signed up for the auditions which will be happening over lunchtimes next week.

Sports Events

A massive well done to our teams of year 5 and 6 children who took part in the Quicksticks Hockey and the Kwik Cricket competitions just before half term. They all played incredibly well and represented our school amazingly.
