MyEd school App

We have had a very large uptake of parents downloading our school communication app. If you have not done so already, please try and do so over the half term. You are able to report your child's absence through the app. We are able to text you for free to inform you of any events. We also use this to send you letters which you are able to respond to. This saves the environment as we are trying our best not to send out paper letters.

Contact Information

Please ensure that we have emergency contact details for your child and that they updated regularly as we know that mobile numbers can change. You will receive a letter shortly with the current details we hold for your child, please check and amend as necessary.

Please remember to visit our school website regularly for useful information <http://www.falconershillacademy.co.uk/>
