Changes to the school day in September

In September, we will be making some changes to our start of day routine in order to ensure that we have a prompt start to the day. The gates onto the school playground will still open at 8:35 with a senior member of staff on duty, but class teachers will open the classroom doors at 8:40 and children will come straight into class when they arrive. The start of the school day will stay at 8:45 when the register will be taken. In addition, parents will be able to come into class with their child to read for the first ten minutes of the school day everyday rather than just Tuesdays and Thursdays.

Summer Fair

A massive thank you to the Friends of Falconer's Hill Academy for putting on a very successful Summer Fair. Thanks to all your donations and volunteers who helped out, they raised a staggering £515!

Sports day

A big well done to all our pupils for competing in our annual Sports Afternoon and for the support of so many parents who braved the scorching temperatures!

It was exceptionally close but well done to the Red house for collecting the most house points and being crowned the 2018 champions.

Parent Workshop

Parents are invited to come along to a parent workshop after school on Tuesday 17th July from 3.30pm. PCSO Kirsten Bates will be discussing E-Safety and also other items including how to keep your child safe over the summer. This will be held in Harrier Classroom.
