Maths Open Morning

We would like to invite you to attend a Maths Open Morning in school on Friday 1st February 2019. The morning will run from 9-10am and aims to provide you with an opportunity to find out how Maths is taught in school and work alongside your child in their classrooms. There will be a short presentation in the hall afterwards with refreshments. Please note that space in classrooms will be limited and so we ask that you avoid bringing pushchairs where possible. Please respond if you are able to attend via the form that has been sent through the MyEd app.

We are delighted to announce the arrival of Mr Hamblin and his wife's baby girl. She arrived into the world on Wednesday and both mum and baby are very well.

Meet The Teacher

As promised before the Christmas break, we will be holding a 'Meet The Teacher' session with Mr Lawrence and Mrs Bannister on Wednesday 23rd January between 3:15 and 4:00. This is an informal opportunity to meet them and to discuss anything with them about your child. An appointment is not necessary and we hope to see as many of you there as possible.

NO NUTS

Please do not send in any food with your child that contains any kind of nuts. We have children and staff with allergies. Thanks.

Reminders

Please ensure children have a FULL NAMED PE kit in school at all times as sometimes PE sessions are swapped around. Also the children should be practising their spellings and times tables at home every night.
