The Friends of Falconer's Hill are looking for new members!

Our school's Parents Teachers Association aims to provide those little extras that make the school environment exciting and stimulating for our children. All the money raised from our events is used in school, with our most recent contribution going towards a new outdoor education area - the sensory garden. On July 6th we will be holding our annual sport's afternoon followed by the Summer Fair after school. If anyone is interested in helping out during the fair then please don't hesitate to contact Mrs Carlill in the office.

Changes to the school day in September

In September, we will making some changes to our start of day routine in order to ensure that we have a prompt start to the day. The gates onto the school playground will still open at 8:30 with a senior member of staff on duty, but class teachers will open the classroom doors at 8:40 and children will come straight into class when they arrive. The start of the school day will stay at 8:45 when the register will be taken. In addition, parents will be able to come into class with their child to read for the first ten minutes of the school day everyday rather than just Tuesdays and Thursdays.

Transition Day

We will be holding our Transition Day next Thursday 5th July where children will be spending the day working with their new class teacher. We will be sending home information about next year's classes early next week.

Please remember to visit our school website regularly for useful information <http://www.falconershillacademy.co.uk/>

Summer Cup

Please join us at the DRET Summer Cup on
3rd July 2018!

The Summer Cup is the sporting highlight of the year with over 1,500 competitors from the Trust competing in an energetic festival of sport. Jonathan Edwards CBE; Olympic, World, Commonwealth, European Champion and World Record holder, will be the VIP guest as well as a number of other high profile athletes who will meet and inspire students throughout the day!

We welcome any parents, carers or other spectators who wish to attend and support at what promises to be an exciting and competitive day that showcases the talent of our pupils and opportunities available at the David Ross Education Trust.

Arrival: 10:00
Opening ceremony: 10:15
Closing ceremony: 16:00

Grantham Meres Stadium
Trent Road
Grantham
NG31 7XQ

Please RSVP with your name and the school you'll be supporting via email to Alice Page - apage@dret.co.uk if you are hoping to attend. On arrival you will need to register outside the stadium and collect a wristband.

We regret that we are only in a position to offer transport to the stadium for the competing students, therefore any spectators will need to make their own way to and from the Summer Cup independently. There will be light refreshments available to purchase at the event. Plenty of parking is available at the venue.
